HALF SEASON OVERVIEW

WELCOME TO OUR 22ND SEASON AT WOODLANDS ELITE

Thank you for your interest in Woodlands Elite. Woodlands Elite opened 22 years ago in Houston, TX with the goal of becoming one of the premier All-Star Cheerleading programs in the world. We take pride in our accomplishments continuing to field great teams in every age and ability level and look forward to continue helping our athletes grow as both responsible individuals and amazing athletes again this season.

Woodlands Elite Albany opened earlier this year with the goal of bringing the Woodlands Elite reputation of excellence in the Capital Region of New York. What are you looking for in an All-Star Cheerleading home? We provide an environment where athletes are pushed to work hard toward their individual goals as well as teaching them the importance of being accountable and a productive part of a team.

WHAT IS HALF SEASON?

Half season teams offer less time and financial commitment, while still providing the training and expertise of a full season team. We offer half season teams for beginners in cheer OR for the higher-level athletes looking for a lower commitment team. Athletes who try out will be placed on a team based on their current age and skill level. Try outs are held in October with the season starting in November and finishing at the end of April. The monthly tuition is outlined below and it covers all program expenses including choreography, music, coaches travel and competition fees. After reviewing this packet, please contact our front office at info@wealbany.com if you have any additional questions about the half season program.

PRACTICES & ATTENDANCE

Half Season teams will practice one day a week for two hours. Due to the shorter season, ALL PRACTICES ARE MANDATORY. During certain times of the Half Season, an extra practice may be called. Your coach will try to give at least a one week notice regarding scheduling any extra practices. All team members are expected to attend all extra practices. During the parent meetings please bring any conflicts you may have between November through the end of April. Half Season athletes are permitted to miss practices during February and April break if they are away.

EVALUATION PROCESS / TEAM PLACEMENTS

Teams will be determined by the athletes attending this year's Half Season tryout. After tryouts, all athletes will be placed in skill groups. Our final team placements and team levels will be determined by our Woodlands Elite coaching staff by the first week of November to ensure all athletes and teams are set up for overall success! Once we finalize our half season teams, each family member will be personally contacted by one of their team coaches with the set day and time for practices.

PARENT MEETINGS / TEAM CHOREOGRAPHY

Teams will have a **parent meeting** with their coaches on the **night of their practice during the week of November 5th**. Meeting times will be released with your athlete's team placement information. We will be sizing athletes for practice wear, cheer shoes & uniform within the first 2 weeks of practice in November. Please plan to attend! We will have scheduled choreography dates in January 2024. All families are expected to keep these dates open once they are provided. Families will be notified of choreography times during your parent meeting.
